FOREWORD

IN this ninth volume of the Pointer the Senior Class of 1934 has attempted to record the activities of this school year. It is our hope that this memory book will recall many of your school associations.

We have chosen "Views from our Campus" for the division pages of this book in the belief that they will be an inspiration to us who have learned to know and love these well known spots.

We present this book to you, students of Point Loma High School, as a tribute of affection for our school.

STUDENT BODY

THE associated student body government has had a busy and successful year. The legislative department is made up of the Cabinet, the Senate, and the House of Representatives. The cabinet is composed of A. S. B. officers and junior and senior class presidents. The Senate consists of Senior High Home Room presidents. The House of Representatives consists of Junior High Home Room Representatives.

This year the Senate, the House of Representatives, and the Cabinet undertook a campaign to clean the grounds. This resulted in an improvement in the general appearance of our school surroundings. A constitutional ammendment, providing for an assistant secretary, was passed by a large majority. A new merit system was introduced by which the method of recording merits and demerits was made more accurate. This is a great step forward in the efficient management of student affairs.

The last undertaking, the All School Show, carried through with satisfaction to the entire student body, was a fitting close to the year's activities.

WINTER CLASS HISTORY

THE Winter Class of '34 terminated its career with a beautiful graduation ceremony in the Point Loma High School Auditorium on February 1. Under the guidance of our most kind and patient sponsor, Miss Clark, and our very helpful and understanding adviser, Mr. Swenson, we enjoyed a happy reign as the Senior Class of Point Loma High.

Although small in number, we had a good time, probably better than if we had had a larger number. We all became very well acquainted and by the end of the semester knew a lot about each other.

Considering the size of the class, we were fairly well represented in all lines. Frances Box, our Valedictorian, has one of the highest scholarship and citizenship ratings yet made in the history of this school. George Prodanovich, Eric Pfefferkorn, and Bill Emerson were all outstanding in our school's major sport, football.

The class activities which will remain longest in each member's mind are the party at Miss Clark's home, the Ditch Day, and Senior Assembly. Our Sponsor served breakfast for the entire class at her country home on Grossmont. For our Ditch Day, we waited till snow was reported in Pine Valley. When we arrived there, we found the weather to be just the opposite of cold. Therefore, instead of skiing and fighting with snowballs, we spent our day in horseback-riding, hiking, tennis playing, and eating. Hoover High had its Ditch Day at Pine Valley on the same day. Our Assembly took the place of a farewell banquet, depicting the class banquet in the Dirigible "LIFE" before it left on its voyage into the world. We all enjoyed giving the program, which consisted chiefly of toasts and music.

Of course our greatest thrill was the graduation, the most beautiful at Point Loma for many years thanks to the stage setting which represented a garden patio, made very realistic by a fountain, garden benches and greenery.

You probably wonder what has become of the eighteen who graduated. Ten of them are right here in school post graduating. George Likes is working in San Diego. Lorene Morris is in Imperial Valley. Maxine La Nier is married. Bill Emerson is a cowboy in Arizona. George Prodanovich is planning to attend Idaho Agricultural College. Madeline Hundley is at home for the time being. Jack Knight is a college boy at Santa Barbara, and Jack Horner is getting experience back in Virginia.

SUMMER CLASS HISTORY

One joyous morn in '28,
We entered, four score strong.
We never shall forget that date,
Though the time has seemed so long.

Our hair was standing up on end,
Our hearts were beating fast.
Ourselves we could not well defend,
But, oh, that didn't last!

Cabbage-heads we were next year,
Those below, we scorned.
Our days were filled with much more cheer,
Although at times we mourned.

Although we felt that we were high,
We honored upper classes.
They no doubt thought us small fry,
Just one among the masses.

Our freshman year then followed soon,
And algebra we took.
When through, we sang a happy tune,
While handing in each book.

Sophomores, finally we became,
In the year of '31.
We boasted loudly that high name,
After three years done.

While we were Juniors, just last year,
We sponsored the noon dances.
Our treasury was down, we fear,
To lowly circumstances.

The Junior-Senior prom we gave,
With merriment and fun.
The day before had been so grave,
With each diploma won.

At last our greatest moment came,
When Seniors we were made.
Our class then leaped out into fame,
But, oh, the price that we had paid!

Our last year was a busy one,
With graduation near.
Our ditch-day was such splendid fun,
As you no doubt did hear.

Now in the year of '34,
Our class bids all adieu.
We hope to see you all once more,
Our friendships to renew.

Please think of us and wish us well,
Till we see you again.
In your remembrances to dwell,
And always to remain.

SENIOR "B" CLASS

THE Senior B Class of Point Loma High School is not very large, numbering only thirty-two boys and ten girls. However, "quality is better than quantity"; and this class has a great deal of the former.

Officers are: President, George Heylman; Vice-President, John Plank: Secretary, Fred Strohte.

Not only do the officers of the Senior B class have plenty of "gray matter" but quite a number of their classmates also are equally gifted. In scholastic records, Anita Milligan, Lucille Neumont, Blanche Price, and Florine Schutz are rated high. John Plank, besides being an all-round athlete, has a splendid scholastic record. In athletics, Tolliver Clement established the record of 22.6 seconds in the 220 yard dash. George Heylman, Vernon Mixon, John Plank, and Gidi Rock were members of the Football team. Bob Connors and Armand Ault were our baseball players. Dick Miller and Gilbert Qualin were members of the "B" basketball team. Fred Strohte was the football manager. Stanley Barskey and Donald Dix were active in Journalism. Jack Donnely and Tolliver Clement participated in dramatics. Martha Erickson was an officer of the Girls League.

The class has always been vitally interested in the activities of the school and we hope to continue to carry on the high standards set by former classes.

FOOTBALL

POINT Loma's football season was not up to its usual standard because about twenty of our lettermen were lost through graduation. Lack of experience was the main reason for the poor showing of the team.

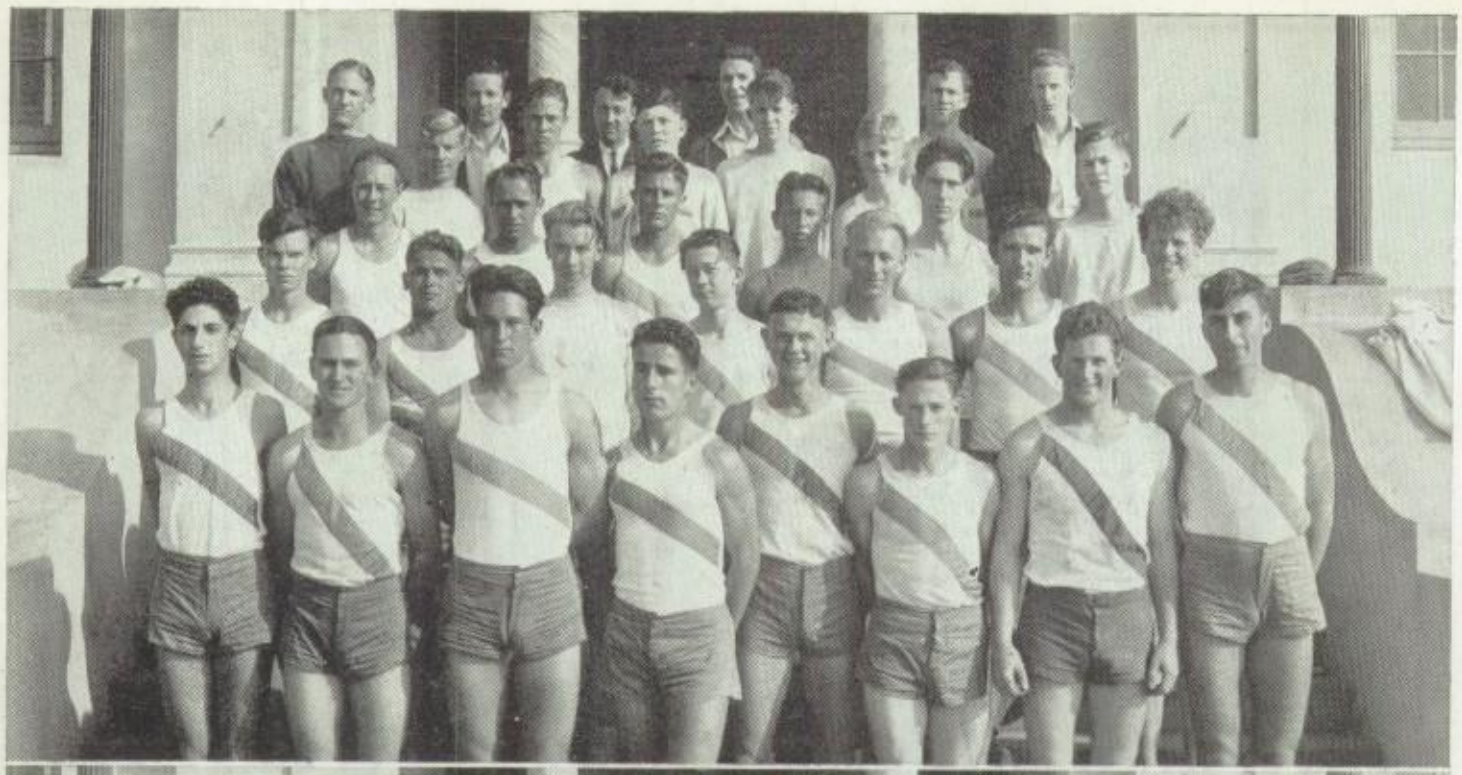
It is Coach Purdy's opinion that most of our losses were due to inexperience and poor generalship. However, we may expect good results from our "now" experienced men next season. So watch Point Loma go!

First Row, Left to Right: Leonard, Pfefferkorn, Burrows, Downey, Miller, Haukap, Emerson, Curl, Strohte. Second Row: Heylman, Roldness, Leonard, Verdeckberg, Plank, Kovac, Everson, Quinn, Dillahunt. Third Row: Dale, Clark, Derrick, Rock, Mixon, Barstow, McBride, Adams. Fourth Row: De Varona, Hait, Lewis, Seely, Purdy, Prodonovich, Stahlheber, Clement.

BASKETBALL

ALTHOUGH there were no varsity letter men on the basketball team this year, the team made a very good showing. In the last two games of the season we finally broke into the winning column, which shows the improvement made. As in the other sports we may look forward to a better team next season, because we shall have experienced men.

First Row, Left to Right: Purdy, Milligan, Jones, Wells, Cunningham, Miller, Thompson, Lutes. Second Row: De Varona, Nunez, Carlos, Qualin, Meiss, Roldness, Plank. Third Row: Lutes, Qualin, Gonsalvez, Marks, Barskey, Barstow, Keating, Dix, Verdeckberg.



TRACK

UNDER the direction of Coach Banks and Coach Purdy the Point Loma track team has had a successful and promising season. The material was good, and we had several outstanding men. Point Loma had a very good chance to win the Conference title, but due to the illness of Coach Banks and the ineligibility of several members of the team we were unable to attain that honor.

With our new field and track we will be one of the strongest schools in the Metropolitan league next semester. Coach Purdy says: "Point Loma will be at least fifty per cent stronger next semester."

First Row, Left to Right: Perlman, Heylman, Clement, Gleaves, Myer, Winn, Santry, Barstow. Second Row: Cunningham, Silva, Connon, Riehle, Meiss, Dix, Santry. Third Row: Maurer, Wells, Jones, Porter, Boucher, Tucker. Fourth Row: Stone, Myer, Carter, Gill, Ogle. Fifth Row: Burrows, Scott, Tait, Lewis, Faunce, Mitchell.

BASEBALL

IN spite of the fact that our only returning letterman was Tom Downey and the only other man that had played in a league game was Bob Connors, the baseball team did exceptionally well. We didn't gain any great victory, but the boys had plenty of ambition. This season gave our inexperienced men plenty of training for a better season to come.

First Row, Left to Right: Serrano, Fastnacht, De Varona, Kovac, Downey, Verdeckberg, Connors, Plank, Izuel. Second Row: Stahlheber, Connors, Barskey, Strada, Marks, Roldness, Ault, Puterbaugh, Purdy. Third Row: Burrows, Bongianni, Miller, Meiss, Stirling, Mixon, Claspill, Hyatt. Fourth Row: Porter, Pinkes, McBride, Humason, Haukap, Traversi, Bradford.

GIRLS' LEAGUE

THE Girls' League of Point Loma High School is an organization formed with the objectives of promoting the girls' activities, furthering their interest in school projects, and discussing school problems. As there are no requirements for membership, every senior high girl automaticaly becomes a member.

Last October, Dr. Amelia Rinehart, President of Mills College, visited Point Loma through the Girls' League and spoke to the senior high students on "Live and Learn."

During the Thanksgiving and Christmas season the Girls' League presented basket donations to needy families. At Christmas time the tree which is annually presented to Point Loma by the club was placed in the library. Other school organizations took part in decorating it.

The Girls' League gave a Mothers' Day program in an Assembly, May 11 which all mothers were invited to attend. The girls greatly enjoyed presenting a play and other small features for their guests.

MUSIC

THE music department, under the able direction of Myron B. Green and Mrs. Frances M. Thorkelson, has splendidly upheld the high standards set for Point Loma music this year.

The Girls' Glee Club, with a membership of thirty in the fall semester and a membership of forty-one in the spring semester, has studied both sacred and secular music. Some of the work, however, is done in conjunction with the Boys' Glee. For the All School Show, the two Senior High clubs combined their efforts to put on a beach party skit. In this skit, typical beach songs were sung, as well as selections from "New Moon," and "The Chocolate Soldier." Both these musical comedy selections were accompanied by the orchestra. During both semesters Ruth Lindberg was accompanist and student leader.

Officers for the two semesters include:

Ruth Linberg	President	Alice Taylor
June Woodward	Secretary	June Woodward
Mary Lou Crouch	Librarian	Katherine Wilson
Katherine Wilson	Assistant Librarian	Betty Ballinger

MUSIC

MEMBERSHIP in the Boy's Glee came as a result of tryouts only. Of the seventy who applied for membership in the spring semester fifty-four were selected. Membership in the fall semester totaled thirty-five. Practically all of the work was done a capella, though some of the songs which were sung with the Girl's Glee club were accompanied. Besides working with the Girls' Glee in the All School Show, the boys put on a comedy number, entitled, "The Lamentable Tragedy of Julius Caesar." During both semesters David Fenn was the student leader.

The orchestra, this year, made more progress than ever before, possibly due to the fact that the instrumentation was almost complete. The only two instruments lacking were the bassoon and the trombone. The orchestra is the only organization in the school whose personnel is composed of both Junior High and Senior students: consequently, it cannot rightly be placed in either the Senior High division or the Junior High division. Those students doing outstanding work were Beth Fox, first violin; Bernadine Phifer, second violin; Ray Hepner, second horn; Elinor Rohde, piano; and David Sterne, bass viol. Jack Lane, first trumpet, was student conductor. Some of the outstanding numbers used in the Christmas Carol and the All School Show include: "Nocturne," from the Midsummer Night's Dream, Mendelssohn; "William Tell Overture," Rossini and "Liebestraum," Liszt.

The Junior High Glee Club, under the direction of Mrs. Frances M. Thorkelson, is composed of about thirty-five members of the Junior High School. This organization cooperated with the rest of the music department in the Christmas Carol and the All School Show. Some of their solo numbers were: "Break Forth O Beauteous, Heavenly Light," Bach; and "Songs My Mother Taught Me," Dvorak.

DRAMA

THE Drama Department began what proved to be a successful Fall semester by the staging of Dicken's "Christmas Carol" by the Advanced Drama Club. The huge success of this performance was made possible by the cooperation of the Music, Art, and Physical Education Departments, and the stage crew.

Outstanding in the play were Bud Deines as Scrooge, Harlan Curl as Bob Crachit, and Toliver Clement as Frank Freehart.

The second play of the semester, "The Scarecrow" by Percy McKaye, was given by the Junior High Drama Club. This unusual play was brilliantly played with the aid of original and cleverly manipulated stage sets. Splendid work was done by Wallace Springstead as the Scarecrow, David Robinson as Dicon, Barbara Healy as Goody Rickby, Kenneth Hall as Richard, and Bernice Henderson as Rachael.

The last play of the semester was Oliver Goldsmith's comedy, "She Stoops to Conquer" which was given by the Senior High Drama Club.

Fine work was done by Ethyl Fried as Mrs. Hardcastle, Jack Knight as Hastings, Robert Scott as Marlow, Mary Lou Crouch, Ruth Lindberg, and Bernice Bostick as Kate Hardcastle, June Mustain and Jane Compton as Constance Neville. Much credit is due the stage crew for the beautiful stage sets which added much to the great success of the play.

For the Spring semester, the best efforts of the Music, Physical education and Drama Department's were all formed into one huge success, The All School Show. The Beginning Drama Club wrote a comedy portraying the funny side of the Moving picture industry. To complete a brilliant program the Advanced Drama Students gave a mystery Drama, which like the comedy was written by the members of the class.

HONOR SOCIETY

THE Point Loma High School Honor Society, which is Chapter 189 of the California Scholarship Federation, was organized in 1929 by Miss Irma Gibson who has continued as sponsor. The purpose of the organization is to foster a high standard of scholarship and general achievement on the part of the students of the school.

The society has sponsored several social activities this year. The Ditch Day for the first semester was most enjoyable and educational. The society visited the North Island Naval Air Station and was given an opportunity to understand some of the work of the branch of the United States service located there. The second semester Ditch Day was a play day at Mission Beach. Our organization joined with the other chapters of the California Scholarship Federation within the city schools for a delightful banquet in the spring.

Membership in the society is earned by semesters. The first semester of this year there were 27 members; the second 37 members. If a student earns membership four out of the six semesters in senior high school, he becomes a life member of the California Scholarship Federation. Several members of the graduating class have earned this highly prized honor. They were given the Roman Lamb pins of the Federation and have gold seals on their diplomas, on permanent records of the school, and college entrance papers.

Officers: President, Anita Agard; Vice-President, Margaret Hyatt: Secretary, Lucille Neumont; Treasurer, Stuart Fraser.

JUNIOR HIGH HONOR SOCIETY

This is the third semester of the organization of the Junior High Honor Society at Point Loma. The cabinet consists of: President, Morris Landon: Vice-President, Pauline Kearns: Secretary, Jane Clark; Treasurer, Sam Emery; Publicity Reporter, Margaret Cooper.

While the purpose of an honor society is largely to promote scholarship, it also holds high the idea of service and the development of high character. To a real honor student honor is more precious than "honors" and grades are less important than the value gained from a task well done.

CAMP FIRE GIRLS

SAUME

THE past year has been an exceptionally busy one for the Saume Campfire Girls. The officers started the year with a dinner at the home of Miss Henderson, the guardian. As the group had grown so large it was divided last year and Mrs. Tanner is now the the assistant guardian. Shortly after school opened, the groups gave their annual family picnic at which everyone enjoyed the amusements that were supplied.

As the custom has been for many years, the Camp Fire girls sold candy, colors, and pom-poms at the games. A general play day for all the groups of San Diego was held at the municipal swimming pool in Balboa Park. The Saume group has been sponsoring regular informal dances at the Piont Loma Club House on every second and fourth Saturdays of the month and it has given the Barn dance, an annual event, and a special Valentine's dance.

In the donut sale the younger group won first place for selling the most donuts, and in a recent "Olympic Contest" Saume took second honors. The group has had a bicycle and skating party, it has given programs at various dinner and luncheon clubs in the city, and it visited the Ernsting Ranch during the Easter vacation.

AYA CAMPFIRE

In most of its activities, the Aya Group of Camp Fire Girls has joined with the Saume Group. However, the girls of the Junior High group had a Hallowe'en party at the Yacht Club and initiated the new members.

Recently the group had a picnic at Ocean Beach and a picnic hike at Vivian Mirow's home. The Aya Group joined with other Camp Fire Girls of the city in welcoming Mr. Lester Scott, the National Camp Fire executive from New York. A rally was held for the visiting executive in the Roosevelt Auditorium.

GIRL RESERVES

THE Girl Reserves of the Y. W. C. A., corresponding to the Hi-Y in the Y.M. C.A., were led at Point Loma in the fall semester by Miss Rhoda Naylor and in the spring semester by Miss Dorothy Watson, assisted by Mrs. Irene Thuli. They chose as their theme, "Windows."

Their fall program included a joint banquet with the Hi-Y at Vincents, a bridge tea at the Town Club, charity work consisting of decorating a Christmas tree at Rest Haven, and a successful semi-formal dance at the Zlac Rowing Club. Ellen Adair, Nan Carlson, Maxine La Nier, and Virginia Riehle attended the Inter-Club council retreat at Camp Kiwanis. Later, the club enjoyed a retreat there.

During the spring semester Ellen Adair, Mary Cotant, Margaret Hyatt, and Virginia Riehle attended the Girl Reserve conference at Occidental College; the triangle took part in the Song Festival at the Y. W. C. A. in which they presented "Sailor Chanties;" and members of the triangle offered "The Fatal Quest" and "The Story Book Ball" as an assembly program.

Spring social events included a Dad and Daughter banquet at Vincents, and a bridge-luncheon honoring their mothers.

HI Y

THE Hi-Y has passed another busy and successful year under the guidance of Mr. David B. Austin, faculty advisor.

As an organization for senior high school boys, the Hi-Y is active for the purpose of creating, maintaining, and extending throughout the school and community high standards of Christian Character. The Hi-Y presented Christmas dinners and clothing to two deserving families this vear as has been the custom, and sent two delegates to the Annual Older Boy's Conference, held this year at Pomona College. During the past year, the Hi-Y has been responsible for guarding the lunch lines and noon dances, and caring for two strips of lawn on the campus, planted by the club in 1933.

The Hi-Y social season was a marked success in that two camping trips, the first in the fall to the Benton Ranch, and the second in the spring to Barrett Lake were well attended. A semi-formal dance was given on Nov. 29, and the annual banquet with the Girl Reserves held at Vincent's on Oct. 24. On Mar. 10, a barn dance was given, and on May 4, the Hi-Y Annual Sport Dance, a fitting climax for the social calendar, was held at the Casa de Manana.

Officers for the year were:

JOURNALISM

JOURNALISM at Point Loma High School has had a varied career. During this last semester the official organ of the journalism class has been "The Pointer." Previous to this time, "The Pointer" was compiled and edited by volunteer students who had enough school spirit to devote their extra time to the interest of the school. Under the guidance of Miss Rhoda Naylor, several young journalists have sprouted wings and soared into print.

The paper, during the year '33-'34, has been distributed free to the students solely through the support of its advertisers. Management of the advertising has been supervised by Mr. Kenneth E. Christianson of the Commercial department and his staff, which included Anita Agard, Jim Claspill, and Stanley Barskey, manager. Students should feel real pride in the school print shop, directed by Mr. Robert Evans.

A chapter of "Quill and Scroll," international honorary society for high school journalists, was established at Point Loma in 1932 with six charter members. Eight new members were added this last semester: Virginia Riehle, Mary Lou Crouch, Hayden Ingalls, Geraldine Thornhill, Betty Curtis, Marguerite Kreizinger, Marjorie Ernsting and Anna Martin. Candidates must be at least of Junior class rating; must have done superior work in writing, editing, or business management; must have high scholastic standing; must be recommended by local teachers, and approved by the national secretary-treasurer.

Point Loma graduates have found that journalistic training is valuable for obtaining position on a local paper, or in making the college staff. With activity on, and interest in our paper, journalism at Point Loma High School promises to become a more potent factor in our school life.

EDITING THE ANNUAL

TO the following people who have taken a personal interest in the building of this book, the Pointer Staff, wishes to express sincere appreciation. To Mr. Kenneth E. Christianson, who has been always on hand to straighten out any and all difficulties; to Miss Barbara Byrne, who has been literary critic; to Mr. Fred H. Smith of the Los Angeles Engraving Company, whose suggestions in regard to technical details have been most helpful in arranging this book; and to Mrs. Ruby Grey Johnson and the art staff, composed of Fred Meiers, James Clark, and Frances Box, for the attractive color blocks which add so much to the Annual.

Our heartiest thanks are extended also to the Los Angeles Engraving Company, Neyenesch Printers, Inc., and Vreeland Studios for their cooperation in compiling the material.

The tedious work of typing copy was ably done by Marjorie Ernsting, Ellen Adair, Anita Agard, Lily Bell Couts, and Bob Scott.

Appreciation is also extended to the high-powered sales staff composed of Anita Agard, Margaret Davis, Ellen Adair, Anna Martin, Virginia Riehle, Mary Lou Crouch, Bob McBride, Edgar Smith, Jack Humason, Grant Burrows, George Meiss, who made our Annual sales campaign a complete success. This annual has been produced with full compliance to the N R A Code.
